

20 customer - changed to him but I can get it if
address to Dr. + Mrs. - changed to him but I can get it if
he is away

Some Xuan gifts have gone. The only idea
I have for you involves Belle's bringing some
things back from Cairo & I'm not sure he'll
get to it. What about a Persian bedspread,
one to Chris. Thinking Harry + Billy the
lacks of cats' eye stones, various colors, all
in 18 Kt. gold & have some for Bill, Pat + Al.

Any thing you want?
→ If you can do it without much trouble,
will you send me a short handled umbrella?
I don't like my folding
one for a storm and all the others here
have extremely long handles + they are
much too big for me to carry around.
not to mention getting into a picture.

I'd like a good one + will pay all fees.
Not sure if I'll have to pay duty or not
Bill m. has full diplomatic privileges +
eligible for duty-free goods (we have
ordered some whiskey, etc.) I may have
Billy send some doll things for Sally too + see
if it comes out cheaper than here. All US
toys are available but very expensive. We
have Chumbeo catalogues just came!
the want more little dolls + clothes.

Harry + Billy very happy. Pat doing fine. Did
you see in clear forehead? Sally doing better.
Love you he in clear forehead? Sally doing better.

Pat's coat is...
white - any color will do if short.
